HIGH SCHOOL

LA GRANGE, ILLINOIS

ULAE

WE are proud to dedicate this book to

MISS KATHRYN KEEFE,

who has willingly devoted her time and effort

to the school as advisor, teacher,

and friend.

SENIORS

BETTY AHAC Betty's favorite expression is "What's it to ya?" She enjoys "Stardust" and going out with the girls. She plans to go to college and then become a private secretary.

Office Aide, Tri-Hi-Y

BARBARA ALAR Barbara enjoys shorthand, eating chicken, and listening to Eddie Fisher. She hopes someday to go into secretarial work, although her choice of college is undecided.

Office Aide

SALLY ALLEN Sally's interests center around journalism, as she was on the **Lion** staff for two years and an active member of Quill and Scroll. Her plans for the future include nursing.

Home Ec Club, FNA, Lion Staff, Quill and Scroll, Mu Tau

DORIS ALLGAIER Skating rates high with Dor, and she also enjoys "Under Paris Skies." Her future includes nurse's training, although her college is undecided.

GAA, Home Ec Club, FNA

BARBARA ANDERSEN Collecting and listening to records is Barb's main interest. She is quite a history enthusiast and plans to make a career out of it after four years at Illinois.

Spanish Club, FTA, Home Ec Club, OEO

DAVID ANDERSON Dave's journalistic interest has been proved by his work on the **Lion** as managing editor this year. Dave has also been a member of the golf team for four years. Future: law at some college.

Golf, Basketball, Lion, Quill and Scroll, Senior Advisory Board, Freshman Class Board, Rifle Club, Latin Club, TEGC

HELEN ARMSTRONG Helen is completely wrapped up in Spanish. She likes Spanish films and records and wants to teach the language. She was a member of Latin and Spanish clubs in her high school career.

Latin Club, Spanish Club

JOANNE ARMSTRONG Music seems to be "Armie's" favorite pastime. She enjoys listening to records, especially "Blue Moon." After graduation, she wants to attend some college, preferably Hillsdale.

GAA

MARILYN ARNDT When you heard "You're the most," "Snorky" was probably around. She considered roller skating a fine way to spend her time. Her future contains JC and a career as an airline hostess.

Dramatics Club, Twirlers, Home Ec Club

BARBARA AUSTIN "Austy" enjoys singing and would like to take it up as a sideline. LeRoy Anderson's music rates high with her, especially "Serenata." Her future is undecided, but she plans to attend some small coed college.

GAA, Choir, Operetta, Spanish Club, Dramatics Club

DONALD BAKER "Phoncee" has been interested in athletics all four years and likes math quite well, too. He would like to attend a small college, perhaps in California.

Football, Track, Baseball

CHESTER BALDWIN To play baseball for the Cubs is Chet's ambition, although he enjoys all types of sports. Bookkeeping and machine shop kept him busy during his four years.

Wrestling

MICHAEL BARRY "Greyhound," an able track and cross country man, enjoys being with the boys and is often heard saying "Ya hookey?" "Zeke's" plans for the future center around engineering at some college in the Southwest.

Cross Country, Track, Latin Club, Boys' Club Board, Senior Advisory Board

JEAN BARTHOLOMEW Listening to the radio is "Barto's" favorite pastime, and swimming runs a close second. Her ambition is to become an elementary school teacher after attending Rollins College.

Library Aide, Spanish Club, GAA

As freshmen we prepared for the four years ahead of us by electing Lula B. Thompson and Wallace Schwass as our class sponsors.

GEORGE BARTIK George is an outdoor man, as proved by his interest in nature. His future lies in the field of accounting or bookkeeping, and his plans include a permanent home in Florida.

Chess and Checkers Club, Rifle Club

JOHN BASEHEART Jack came from Texas in his freshman year and has been very interested in football. "Jake," who likes to say "Real crazy, man!", plans to attend a college somewhere in Texas.

Football, Baseball

GAYLE BAUMGARDNER Gayle came to us from Central High School in Omaha, Nebraska. She plans to be a teacher or perhaps an athletic director, since her interests are largely in physical education.

GAA

BILL BEDNAR "Tiger Rag" and Dixieland are Bill's musical choices. His main interests center around the outdoors (hunting, fishing, and trapping) which will fill his future as a farmer after the U. of I.

Football, Conservation Club, TEGC

EMILIE BELOHLAVEK Lee attended LT her first and last years. She could often be caught saying "Dig that," playing the piano, dancing, or listening to "Sorcerer's Tango." Katherine Gibbs Business College next.

Library Aide, Office Aide, Counseling Aide

WINIFRED BELVILLE French and "September Song" get top rating from Winnie. This ardent dancer has chosen that profession as her ambition, but intends to continue full-time as a dental assistant.

Latin Club, French Club, Corral Show, Dramatics Club

JEANNETTE BENDER "Jackie" is new this year from Austin High School, where she was quite active. She enjoys piano, ping pong, and listening to music on the radio. Her plans include dental nursing at some small coeducational college.

JEFFERY BERG Jeff, who liked mechanical drawing in school, plans an engineering career. His special interests are trapping, taxidermy, and sports, and he enjoys saying "They don't make 'em like they used to."

MARGARET BERGMAN After graduation Marge will continue at JC, and then work in the field of nature. Camping, Civil Air Patrol, and travel (especially in Colorado) number among her varied interests.

GAA

ROBERT BIELBY "Pistol" was quite a hunting enthusiast, rating it high among his interests. He also enjoyed machine shop during his four years at LT.

FRED BIRKHAUG Fishing fever catches "Four" when spring rolls around. He left Morton to spend his last two years here, and plans on JC next. His interests lie in the scientific field.

RUSSELL BLAKE Russ was interested in basketball and "les femmes" at LT. He can often be heard saying "Ya hookey?" Russ plans to study engineering at some university.

Basketball, Spanish Club, Door Guard

JUDITH BLANG Energetic Judy, whose aim is to work with people, says "I vote for 'Mr. Touchdown', sociology, and, especially, all types of sports." An elementary teaching career awaits this friendly girl.

Representative Assembly, GAA, Leadership, Corral Show, Spanish Club

JEAN BOOSE Cute Jeanie's favorite expression, "That'll never sell," could not be applied to the sewing and knitting that fill her spare hours. She'll be a Coe College freshman next fall.

Representative Assembly

Our class activities were initiated with "Hillbilly Hitch," our freshman party.

LARRY BOOTH This happy-go-lucky senior owns a large vocabulary of expressions. Either Penn State or Washington University will enroll Larry next year, where he will take up Architectural Engineering.

Cross Country, Wrestling, Golf, Football, Latin Club, Freshman Class Board, Boys' Club Board, Corral Show, TEGC

JOHN BORKLAND "What a blast" can frequently be heard in "Bork's" direction. His near future contains JC, and then on to study mechanical engineering or plastics. This enthusiastic hunter enjoys dancing.

Representative Assembly

THOMAS BORMAN Friendly Tom goes for "Dragnet," mathematics, and cars. His ambition, "to be able to spend as much money as I want," is to be preceded by engineering at Illinois or Purdue.

Cross Country, Track

ROBERTA BORMANN Bobbie is an easy-going senior who enjoys happy living. Pizza, Cadillacs, going steady, Dixieland, sketching, and Buddy Morrow's "Night Train" all rate high. The U. of Illinois is next.

GAA, Dramatics Club, Latin Club, Tri-Hi-Y

PHYLLIS BOUCHARD "People who are never on time" bother this future Grinnell College phys. ed. major. Phyllis gets a kick out of eating, singing, and lifeguards. Her ambition is to travel to every state.

GAA—Board 4, Leadership, German Club — Secretary-Treasurer 4, Latin Club

JOSEPH BOVENZI Eating, sleeping, playing records (most worn — "Ebb Tide" and "Dear John"), and hunting rate high with Joe. This well-liked senior plans to attend JC and later become a millionaire.

Football, TEGC

NANCY BOWMAN Nance left LT for one and one half years in Indianapolis. She wants to own a Cadillac convertible someday. Northwestern or Colorado may claim cute Nancy and her love for records next year.

GAA, Tri-Hi-Y, Home Ec Club

SHIRLEY BRANDNER Shirley, a summer camper and a gifted musician, hopes to travel throughout the U.S., Canada, and Switzerland someday. Group-work education at a small college comes next for this active girl.

GAA, Leadership, Band—President 4, Orchestra, Mu Tau—Vice President 4, Spanish Club, OEO, Conservation Club — Vice President 4, Representative Assembly

DONALD BREITER Don is a very enthusiastic sports follower and does a good job participating in them too. This down-to-earth LT senior also enjoys music and his blue DeSoto.

SHAROLYN BREWER Hinsdale's loss was our gain in the case of Sherry last year. Her number one choice is art, which she will study further at the Art Institute.

RICHARD BRIXIE There's never a dull moment with Dick around, who likes traveling and tinkering with his car, along with hunting and basketball games. He hopes to go into business for himself.

Science Club

ROBERT BRIXIE "Brix" could always be seen driving the D. I. B. truck around town. He was always on the go, and enjoyed being with the boys. Future: business.

BARBARA BROCKMAN Having a good time was the favorite pastime of Barb, who dislikes hen parties. She will be headed for JC next year, and then into the teaching profession.

Home Ec Club, GAA, **Lion** Staff

PHILIP BROOKS Phil could always be seen having a good time or just relaxing. This hardworking, popular senior, who also plays a good game of football, will be at Purdue next fall.

Football, Basketball, Corral Board — President 4, Senior Advisory Board, Sophomore Class President, Latin Club

As freshmen we became the last class to cheer the basketball team from the track in the old gym.

ROY BRYANT "Buz" spent his first three years at South Shore High School and was very active in the ROTC unit there. He also loves the outdoors and plans to become a forest ranger someday.

LINDA BUDD Linda came here from Denver in her sophomore year and has been a credit to her class ever since. Like most girls, she loves to talk. Next: chemistry at Miami U.

GAA, Latin Club, French Club, Choir, **Tab** Staff, Dramatics Club

KENNETH BUEGE Ken could always be found working on his car, or anything that didn't work right. This interest will lead "Buck" into the field of tool and die making.

ROBERT BURDETT Bob's main interests were girls and cars. He also enjoyed plane geometry and machine shop. In the future, Bob plans to get a job.

Dramatics Club

ALLEN BURT Al was a crack shot, but photography was also a main interest of this popular senior who could be seen "laughing it up." College and then a million bucks for Al.

Rifle Club — President 3, Vice-President 4, Freshman Class Board

HAROLD CAFFEY "Wimp," known for his athletic feats, was a whiz at track and basketball, as well as a "cat" on the dance floor. He plans to go to college and be a coach someday.

Basketball, Track, Door Guard

THEODORE CAIAZZA Ted, one of the greatest basketball players this school has seen, also excelled in football and track. His easy-going manner and friendly personality will help him on his way in the future.

Football, Basketball, Track

JOSEPH CAPPIELLO "Pello," famed leader of the "Jabbib Jazzers," could be found dreaming of the "open road," or listening to Buddy Morrow. Joe plans to go into the field of dentistry.

Senior Advisory Board, Baseball, TEGC

JANE CARR Jane's a real sportswoman and especially likes tennis. This popular senior plans to attend a small coed school, and then the Waves will claim her.

GAA—Secretary 3

SANDY CHABOT Sandy's melodious voice could be heard ringing through the halls of LT. She plans to pursue a musical career and eventually attain the Met. St. Mary of the Woods will claim her next.

Dramatics Club, French Club, Corral Show, Operetta, Mu Tau

JOHN CHRISTENSEN Listening to "Stardust" and working in the field of science were John's favorite pastimes. This friendly senior plans to become a conservationist after attending college.

RICHARD COBB "Don't fight it" was Rich's favorite saying. He was a talented cartoonist and loved to eat. Trig interested him the most. Illinois next.

EDWARD CODY Ed's future is undecided, but he may have a tendency toward radio work. He likes his door guard duties very much. Ripon next.

Door Guard

WILLIAM COLLINS Bill liked to relax with the boys and travel in Mexico. As quarterback on the football team, he led our team to a successful year. Plans to become an architect in the future.

Football, Corral Board, Representative Assembly, Boys' Club Board, TEGC

Our class officers, Phil Brooks, Joan Hengels, Sharon Tansey, Annette Wylie, Ron DeSantis, Martha Link, and Bill Nicholas did a fine job of guiding us through our sophomore year.

ANTHONY CONIGLIO "Conig" was known for his entertaining way with women and his clowning at the Corral. He plans to study physical education at the U. of Colorado.
Track, Cross Country

BOB COWAN Bob entered LT his junior year, coming from the "deep South." He likes to listen to classical music and hunt. Bob plans to be a dentist.

ALBIRDA POOL Mississippi lost a sunny smile when "Bert" came to LT in her junior year. Although interested in sports, she will probably study beauty culture after a trip to California this summer.

ROBERT POPULORUM Friendly Bob, who likes to say "Ya hookey?", is especially fond of sleeping. He plans to study law at DePauw, and eventually retire with a million dollars.

Corral Show, Boys' Club—Secretary 4, Latin Club, Football, Track, Choir, Tab Staff

CHERYLE PRINDER We all hope that Cheryle's ambition "just to be happy" will be continually realized. She will certainly enjoy the duties of a secretary, as her favorite subject was typing.

Home Ec Club, GAA

IRVING PRONGER Irving's avid interest in airplanes leads him to dream of being a commercial pilot and owning an airport. When not singing in operettas, "Vin" busied himself with Scouts and model building.

Choir, German Club, Science Club

ANNE PURINTON A lover of the West, Anne plans to attend the U. of Colorado. When not driving around, swimming, or working on a Corral Show, she enjoyed listening to the Four Aces.

Corral Show, Tri-Hi-Y, GAA, Aide, Choir.

GEORGE RAFFERTY Although this well-known senior's favorite pastime was loafing, he was always seen working hard. Hoping to have a lot of fun and lead a worthwhile life, George will go into business administration.

Football, Representative Assembly, Senior Class Treasurer, Conservation Club, Latin Club

KATHLEEN RAFFERTY Chock full of pep, Kathy always made slumber parties and potlucks, her favorite pastimes, a lot of fun. Eventually she would like to live in New York State, but secretarial school comes first.

Twirlers, GAA, Latin Club, Spanish Club, Corral Show, Office Aide, Representative Assembly

RICHARD RANES "Mr. President" spent much time working for the LT radio program, and hopes to form a career in radio or TV. Rich came to LT from RB in his junior year.

Wrestling

DIANA REA "Dinah" will go far in her chosen field of education, for she always has a smile for everyone. Extremely clever with her hands, Diana also loves to square dance.

Dramatics Club, Spanish Club, Quill and Scroll, Lion Staff, OEO

MARTHA READ Her quiet, friendly way will certainly help Martha succeed in the profession of nursing. Marty was seldom downhearted about anything, and claims that American History was her favorite subject.

Latin Club, FNA, Home Ec Club

DON RENNER Art tops the list of "Tex's" interests, with hunting and magic following. His favorite song, "Don't Fence Me In," must express his secret desire, for he plans to do free lance art work.

Hi-C

GURRIE RHOADS Although Gurrie possesses literary talent, as shown by his excellent sports columns in the **Lion**, he plans to follow a career in science. Gurrie devoted much time to Student Council work.

Representative Assembly, Student Council, Lion Staff—Sports Editor 4, Cross Country

Honor study halls, instituted in our senior year, were another proof of LT's progress.

ALICE RHODES Al's future plans include Lawrence College, where she will no doubt be able to participate actively in her hobby of ice skating. This friendly senior desires to be an interior decorator.

Office Aide, GAA, Spanish Club

JAMES RICHEY "Rich" came to LT in his senior year from Indianapolis, where he was active in sports and Student Council. Enjoyment of physics helped him decide on engineering as a profession.

BETTYROSE RICHRATH After a summer trip to Florida, Betts will settle down to office or clerical work. As she likes to be on the go and enjoys Spanish, she dreams of traveling to Mexico.

GAA, Spanish Club

MARILYN RIERSON Seldom without her smile, "Rie" was an oft-seen figure around LT. Although very busy with extra-curricular activities, she still had time to collect and listen to records, with "P. S. I Love You" a special favorite.

GAA, Office Aide, Tri-Hi-Y, Corral Show, Student Council, Senior Advisory Board

JAMES RILEY Sports-minded "Rye" has enjoyed participating in both football and baseball. A true Midwesterner, he hopes to go into agriculture.

Football, Baseball

PHIL RIVALDO "Flip" needs no introduction to LT students. His appearances on the LT stage as a drummer were always welcomed by the student body. He is already far along the road to success.

Band, Corral Show, Baseball, Wrestling

BRUCE ROBERTS "Texas" is a real history enthusiast who claims he'd "rather make it than teach it." Coming to LT from New Jersey, he flatters the LT females by listing girls as his "special interest."

Rifle Club, Stamp Club, Band, Operetta

JEANNINE ROCHOW Cute "Roch" is known for her perpetual good humor and friendly smile. Tri-Hi-Y (vice president) and musical interests (choir and piano lessons) are enjoyed by "Rocky," as is "being with the crowd."

GAA, Latin Club, Corral Show, Tri-Hi-Y—Vice President 4

ODEE ROMANSKI Friendly "Manski" is so well known for his sports ability that his musical talent is hidden to many. Women and math come next on his interest list.

Cross Country, Track, Wrestling, Choir

RICHARD RUNKE The comment "Hiya stranger" and golf talk are likely to be heard around Dick. He finds bowling, skiing, and loafing enjoyable pastimes, when he isn't studying physics.

Rifle Club, Bowling, Representative Assembly, Latin Club

BETTY RUPP Like most seniors, Bet's favorite pastime is going to parties. However, bowling and horseback riding squeeze in a close second. Her future plans include marriage and a trip "south of the border."

Library Aide

EDNA RUSSMAN Outward appearances are certainly deceiving in Edna's case. This sweet senior is not only one of our top students, but an outstanding debater too. Ambition: to be the first woman president.

Debate, Writers' Club, German Club, OEO, Tri-Hi-Y, Library Aide

HERMAN RUTA Herman, who enjoys sleeping and playing basketball, has the unusual hobby of raising rabbits. Planning to be a research chemist, "Herman the German" will prepare at JC and an undecided college.

CAROL RUTHVEN Although a newcomer to LT this year, friendly CJ has found a place in the hearts of all her classmates. "Oh, you're kidding" is practically a trademark with this cute senior who plans a psychology major.

"Basin Street Ball" climaxed our class parties as we swayed to the rhythm of the "solid South."

JOYCE RUTHY Joyce, one of our busiest seniors, managed to find time to give riding lessons on the side. Although her main interest is horses, her future plans highlight teaching.

GAA, FTA, OEO, Latin Club, Spanish Club

ELIZABETH RYBA Quiet and efficient, Liz's favorite pastimes include watching sports and playing the cello. Latin also ranks high with her as her activities reveal. Her ambition: to be a pediatrics nurse.

FNA, Orchestra, Virgil Club, Cicero Club

MARY ANN RYSKIE Transferring from Morton as a junior, Mary Ann is reported by fellow students to be a whiz in physics, her favorite subject. Art, music, and "just talking" fill up her spare time.

French Club

FRANK SANDERA Ambitious "Hustler" dreams of owning and operating a race track in Cuba. However, for the time being, Frank enjoys crashing out-of-town parties with the boys. Future plans: Notre Dame.

Representative Assembly, Football, TEGC

DIANNE SANDERSON Friendly Dee, who came to LT toward the end of her freshman year, has enjoyed LT dances more than anything else. Business at JC or business college will come next.

Tea Aide, Writers' Club

EMIL SANTUCCI "Santa" is one of our auto-minded seniors. As president of Automobile Club and a builder and designer of model cars in his spare time, Emil is working toward a career in this field.

Auto Club

BOB SAUER Friendly Bob finds his time about equally divided between stamps and Hi-C. His favorite subject is Radio speech, which explains his desire to enter radio as a career.

Stamp Club, Hi-C

SALLY SCHAFER Sally, ranking art and bubble-gum high on her interest list, is well known to her classmates for her sense of humor. "Schafe's" basement parties will never be forgotten either. Next: U. of I.

Representative Assembly, Corral Show, GAA, Tri-Hi-Y, Aide

ALLEN SCHEITLER "Scheit" says his favorite subject is woodworking, which might account for his interest in model railroading and model building. This nature lover also enjoys "roughing it" in the great outdoors.

LEE ANN SCHERLONG Known for her infectious laughter and the expression "much nervi," Lee Ann claims nursing and listening to "To Be Alone" as special interests. "Zert" will probably attend Knox next year.

Corral Show, Tri-Hi-Y, Lion Staff, Writers' Club, Latin Club

SALLY SCHEU New to LT her junior year, "Shy" soon became quite well known here. She was very active in her former school. Future plans include social work after the U. of Wisconsin.

Library Aide — President 4, Spanish Club, OEO

JANET SCHLEGEL Friendly Jan could often be found listening to "Because of You," her favorite song. She was a sports enthusiast, being particularly interested in skating and bowling. Clerical work will claim her soon.

GAA, Home Ec Club

HERBERT SCHMIDT "To join the Navy and see the world" is Herb's aspiration. When he wasn't building gas models, he could be found eating or sleeping.

NANCY SCHOCH A girl shutterbug? Yes, Nancy's one of the best. She also has language ability, having taken French and three years of Latin. To travel east to college is her future intention.

Latin Club, Virgil Club, French Club, Camera Club, Conservation Club, Orchestra, GAA

"Soncjocne" and "Lou talk," initiated by the class of '54 were the current rages when we were seniors.

SHARON SCHUMANN Sharon, who hails from York, is one of our best horseback riders. In her spare time she likes to settle down with a good book. Perhaps a business career after JC.

Spanish Club, Hi-C, Science Club

JUDY SCOTT "Great Scott" could often be seen indulging in her favorite pastimes, loafing and eating. Plans for the future are undecided, but Judy will probably be found at the U. of I.

GAA, Corral Show, Tab Staff, Aide

MARILYN SEAY Everyone knows personable Marilyn through either her dancing ability or her sunny smile. Someday we may see her in a musical comedy, which is, by the way, her ambition.

Corral Show, Writers' Club—President 4, Spanish Club, Latin Club, Virgil Club, Dramatics Club, Junior Class Play, Operetta.

CHARLES SEDGWICK Handsome "Sedg," a great basketball star, rates jazz and math high. With his winning personality, we're sure Chuck will fulfill his ambition to make a million after college.

Baseball, Cross Country, Boys' Club Vice President 4, TEGC

SHARON SELAK Friendly Sherry came to us from Flower High in her junior year. She enjoys doodling, laughing, music, and "Eternally." Her future includes JC and marriage.

GAA, Dramatics Club

SHIRLEY SELEPA "Liz" loved all kinds of sports, especially swimming. Being able to get along with people should fit in well with her ambition to become a stewardess. JC in the future.

Aide, Twirlers, Spanish Club

DONALD SESSIONS Active Don, well known for his outstanding tennis ability, enjoyed the unusual hobby of mountain climbing. He found that partying easily fit in with his psychology of having a happy life.

Representative Assembly, Student Council, Associate Tab Editor, Quill and Scroll, Boys' Club Board, Junior Class Play, German Club, Latin Club, Conservation Club, Tennis, Basketball, Usher

ANNE SHELDON One of our most popular seniors, attractive Anne has enjoyed her summer experiences as a camp counselor. She plans to attend a small coed college before becoming a primary school teacher.

Latin Club, Spanish Club, GAA, Corral Show, Junior Class Play, Representative Assembly, Nurse's Aide

MARY SHUPER "Shup," one of our best sewers, finds time to make her own clothes and to participate in various sports. After earning money in the clothing field, she'd like to travel around the U.S.

GAA

JOHN SIEGER Football and wrestling filled up most of "Meathead's" spare time during school, but in the summer he enjoyed hunting and fishing. Jack's future plans include law school at Drake University.

Football, Wrestling, TEGC

JACK SIMON "Spike" was one of the happy-go-lucky fellows who liked to have a good time. He's quite mechanically minded and claims that mechanical drawing was his favorite subject.

DONALD SKOWBO Don, well liked by everyone, claims that baseball is his favorite, although all sports rank high. He plans to continue this trend by teaching physical education after the U. of Illinois.

Baseball, Choir—President 4, Representative Assembly

JAMES SLOAN Jim, efficient in every job he undertook, was president of two clubs this year, besides being a member of our winning cross country team. His ambition—to be successful.

Cross Country, Track Record Keeper, Hi-Y—President 4

RON SMITH "Smitty's" variety of interests include fishing, hunting, trapping, dancing, and cars. The Navy beckons this fun-loving fellow after JC.

Rifle Club

The senior play, *A Murder Has Been Arranged,* was a successful close to our dramatic career.

CHRISTINA SNEVELY It follows quite logically that this friendly gal's peeve is unfriendly people. Chris is especially interested in the fields of social service, home ec, and music.

Latin Club, Spanish Club, FNA, GAA

WILLIAM SNYDER Fun-loving, sport-minded Bill is known throughout LT as being one of our best-dressed senior boys. After the U. of New Mexico, he plans to go into business with his father in SNYDER FOODS.

BARBARA SODERBERG Teaching piano, studying French, and listening to "Rhapsody in Blue" keep this talented senior busy. After graduation she plans to go to a music school to become either a concert pianist or a teacher.

Junior Class Vice President, OEO, Representative Assembly, French Club, Mu Tau, Operetta, Corral Show, Corral Board

JOAN SODERBERG Listening to "Blue Moon," playing the piano, and drawing rate high with Joan. Shorthand will help this senior to become a secretary at some small coed school.

OEO, Tri-Hi-Y—Secretary 3, Junior Class Play, Corral Show, Latin Club

SHIRLEY SODERDAHL We often saw "Shirts" playing her flute in the LT band. Future undecided, she will probably continue to work.

Home Ec Club, Band

ALLAN SOLDWISCH To own a 200-acre "well-equipped" farm would please this senior. Cars and machine shop rate high with Al. The Navy will come next.

KENNETH SPEAR Likeable "Speary" came to LT in the middle of his sophomore year. His future plans include going to JC and then becoming a farmer. We know he'll be successful in whatever he does.

LUCILLE SPECK "You don't say" is what you probably hear this senior say when she takes time out from her sewing. College next, maybe Purdue, to become a high school clothing teacher.

Home Ec Club, Dramatics, FTA, Corral Show

PEGGY SPERRY This pretty senior, called "Sam" by her classmates, enjoys eating and listening to "Trying" when she isn't watching some sport. Some midwestern school will claim her next fall.

OEO, Representative Assembly, Tab Staff, Tri-Hi-Y, Spanish Club, GAA, Library Aide, Corral Show, Mu Tau

JOSEPH SPLAVEC Next fall we will probably be seeing "Big Joe" driving his car to Illinois Institute of Technology to become a mechanical engineer. Hunting, fishing, and working on his car take up most of Joe's spare time.

Spanish Club, Band, Corral Show, Rifle Club, Auto Club

JOAN SPOHR To travel around the world is this friendly senior's ambition. Food and "big" parties keep her happy. Next, Augustana College, where she will study nursing.

Representative Assembly, Latin Club, Writers' Club, Lion Staff, Quill and Scroll, Choir, Tri-Hi-Y—Treasurer 4, GAA, Corral Show, Nurse's Aide

JEANNETTE SPORER Being with people, reading, sports, and English attract this cheerful senior's attention. Typing has helped "Tootsie" decide to become a secretary after graduation.

GAA, Home Ec Club

ROY STANLEY Acting in plays, backstage work in the studio theatre, making model railroads, and being a member of the Civil Air Patrol kept "Cap" busy. After college, he will enter the Air Force as a profession.

Senior Advisory Board, Corral Show, Football

NOLA STATER "Nodle's" main interests are bowling and listening to records. Future is undecided, but she would like to take life easy in Texas.

Office Aide, GAA

This year's Corral show, directed by three of our seniors, was a huge success.

GEORGE STEFFEN George, who enjoys singing and listening to records, would like to become a doctor or an engineer. His interest in science and math has helped him to decide on these professions. College next.

Representative Assembly, Choir, Operetta, Conservation Club, Stamp Club, Junior Class Play, Aide

Senior Advisory Board

The seniors all cooperated to make our last year a great one by carrying out the plans of the Senior Advisory Board, composed of a representative from each American history class, Student Council, the *Lion,* the *Tabulae,* and the Corral, and headed by our capable class officers.

Under the efficient direction of Jim Gibboney and his assistants, Mary Peterson and Tom Nelson, we got our senior year off to a good start by breaking all records with our Christmas card sales. We all worked together to make our class party, "Basin Street Ball," and our play, *A Murder Has Been Arranged,* a big success. We topped off the year with the Senior Salute, held at night for the first time for the benefit of our fathers, the picnic, baccalaureate, and commencement. Perhaps we will remember most of all the culmination of our high school career in our marvelous prom at the Sheraton Hotel in Chicago.

We would like to express our sincere appreciation for the guidance and understanding of our sponsors, Miss Thompson and Mr. Hammerlund.

The Student Government Association

The Student Government Association sponsored several important projects this year, among which honor study halls, a public address system for the cafeteria, and a new constitution were the most important. Seven honor study halls were formed, and it was hoped that the system would be expanded at some later date. The Representative Assembly appropriated $1000 to be used for the purpose of purchasing a public address system for the cafeteria. The new constitution, containing many important changes over the old constitution, was passed by vote of the guidance groups in March. Longer terms lasting from February to February for all Student Council members, election of all Student Council representatives from the classes, voting privileges for seniors, and senior emeritus members of Student Council were all important provisions of the new constitution.

Some important committee work was also completed by Student Council committees. Participation Committee completely revised its filing system, and the method of recording information from the student talent inventories. Social Committee managed all Student Council social affairs, and produced a plan of the girls' gym to be used by all decorating committees if they felt the need of it. Citizenship Committee assisted the Election Commission in running elections, and worked on citizenship problems. Business Management Committee organized an evaluation of the clubs that exist at LT. School Spirit Committee worked on Homecoming, introduced Pep Club, and planned our pep rallies. Publicity Committee publicized the activities of Student Council, and worked on new ways to publicize such events. The Newcomers' Party, Career Day, the *Gold and Blue Guide,* and the eighth grade student council convention were all examples of the fine work done by the Student Guidance Committee. Procedures were established for the traditional twenty-five year class reunion at Homecoming. Minutes of all Association meetings were sent out each month to the faculty in the hope that in this way they could be informed of Association events. Guidance advisers were also invited to Representative Assembly meetings.

To provide a suitable climax to the year, the Association planned a picnic to be held just after the honors assembly. In this way the Student Council and Representative Assembly finished a busy, but happy year.

One of our more successful and popular clubs this year was Girls' Club. The Big and Little Sister Party, "D-Chomftdagogle," and the Introductory Tea, "Frustration In The Station," began the club's activities last fall.

This year's board, which represents every girl in school numbered twenty. These girls headed the various interest groups, to which was added a new one this year, "Make It Yourself." The other interest groups this year sponsored many worthwhile and entertaining meetings: "Discovering Chicago" saw "Cinerama"; "Me, Myself, and Others" and "Mates and Mops" held several interesting panels; "Knit Wits" and "Card Club" held the interest of argyle and bridge fans every Monday; "Looney Tooners" participated in the Christmas and Spring Sings; "Dance Data" sponsored Frank Morgan; "Tea Cups" provided the hostesses for many an affair; "Best Foot Forward" helped with hints on appearance; "Have-A-Heart" sponsored the many drives this year; and "Cheer Gang" sent out get-well cards.

The board members also worked energetically on many large events, such as Bow Day, the Dad and Daughter Banquet, the dance, "Heart of My Heart," and the Freshman-Mother-Daughter Tea. Some other activities under the supervision of Girls' Club include the annual Christmas Sing, the Triangle Meeting, and the Spring Sing and picnic.

Girls' Club owes a vote of appreciation to Miss Banks and Miss Brown, the sponsors, for their wonderful co-operation in aiding and guiding the girls through this eventful year.

Boys' Club had a successful year under the capable leadership of the elected board, and its competent officers. The club sponsored many interest groups, including Automobile Club, Modelmakers Club, and the Barber Shop Quartet Club. Newly instituted this year were the Jam Session Club and swimming interest group. Boys' Club put out the annual school directory which was a tremendous success and nearly sold out.

In the fall, the club sponsored a father and son sports night where action movies of the fabulous Harlem Globetrotters were shown. The movies were followed by an interesting and entertaining talk given by the general manager of the Globetrotters.

The annual dance was highlighted by the unusual swamp decorations, as we danced to the strains of Bill Rohter's ever-popular band. The dance, "Okefenokee Pokey," was also noted for its novel floorshow.

The Corral enjoyed another profitable year, this one being more publicized, however, because of the youth center's tenth anniversary. Many of the events of the year were directed along that line. One of the dances had as its theme, "Tenth Year Topper," and everyone wore a crazy hat.

The Program Committee procured all of the combos and was responsible for other special events, such as pie-eating and dancing contests. Junior directors were again a great aid to Mr. Kraus as they helped things run smoothly.

The Corral gained nationwide fame this year in that stories were written about it for two widely circulated magazines. Our annual Corral show really proved to the public what fine talent the members possess. The show followed a different pattern this year, as it was a satire on the "Wizard of Oz."

Once again success was evident and another high standard was set for next year.

Tabulae

Populorum.

The Tab office was always one of the busiest places in LT everyday after school. Among the rubber cement, cardboard, and hundreds of pictures were the layout artists, who were always busy making the pictures fit.

At the sound of a clanging typewriter, one could always find one of the staff members furiously pounding out his assignments at the last minute. These writers were Linda Budd, Joanna Devor, Eve Gragg, Pat Hansen, Joan Hengels, Barb Jackson, Judy Joern, Janet Johnson, Pat Kentner, Joan Miller, Mary Peterson, Bob Populorum, Jeannine Rochow, Judy Scott, Jim Sloan, Peggy Sperry, Joanne Toates, Carol Trevillian, and Pat Wickemeyer.

At the sound of a swishing brush or scratchy lettering pen, one could identify the artists and letterers of the book: Larry Booth, Judy Polivka, Sharon Tansey, and Jim Van Cleave.

Supplying the much-needed pictures were our "ace photogs", Jerry Ellersdorfer, Bob Fash, Virginia Fifield, Walt Foote, and Nancy Schoch.

Another behind-the-scene aid was our typing duo — Dorothy Garner and Joan Soderberg.

Supervising the whole business were the three editors, always dictating to the staff with an iron hand — "Their's not to reason why; their's but to do or die." Ruling over the big job was our wonderful advisor, Miss Ruth Keizer, without whose guidance this book would not be possible.

Magnuson, F. Ore, J. Ellersdorfer, G. Strell, J. Leatham, J. Moore, J. Hallett, A. Young, J. Palmer, R. Allan.

Rated as one of the top high school papers in the United States this year, the Lion again received a host of honorary awards for its excellence in the field of journalism. Besides getting the Gallup award for being one of the fifty best publications in the U.S., the paper also received the Quill and Scroll International Honor Award and the NSPA All-American.

While working steadily to turn out this kind of a paper, the staff members have also found time to attend national, state, and Chicago area conventions. This fall, the Lion staff even had the honor of playing host to the Chicago Scholastic Press Guild Convention, welcoming over fifty schools from the Chicago area, and speakers from Northwestern, the University of Illinois, and several other schools and newspapers.

The never ending job of finding stories, proofreading, make-up, turning out copy, editing, and headlining stories has kept this year's staff hopping all the time. Department heads included editor-in-chief, Karin Jones; managing editor, Dave Anderson; news editor, Diana Rea; sports editor, Gurrie Rhoads; and feature editor, Barbara Newcomb.

Other departments taken care of were circulation, Sally Allen; headlines, Doug Erickson; press bureau, Marilyn Croak; promotion manager, Eve Gragg; exchange manager, Joan Spohr; business, Dave Vandaveer; and advertising, Mike Barry.

Sally Thayer and Barb Brockman took care of feature writing, while Bill Nicholas, Bill Collins, Jack Leatham, Don Murphy, and George Strell worked as sports reporters. Virginia Fifield and Jerry Ellersdorfer were the photographers.

Putting in an extraordinary amount of time and guiding the whole production from start to finish was Miss Kathryn Keefe.

Quill and Scroll

Completing its seventh year as an active club at LT, Quill and Scroll is an international honorary society for high school journalists. Any junior or senior in the upper third of his class is eligible to join by meeting the requirements of having eighty-five inches published and a sample of his work approved by the national secretary of the organization.
The members held several meetings during the year, including an initiation and a spring banquet. They also participated in Mardi Gras by selling taffy apples. This fall the club received last year's rating of third in chapter activities in the U.S.

Writers' Club

In order to join this club, each member had to create a manuscript which was criticized at the monthly meetings by the whole club. The big project of Writers' Club, however, was "Pen 'n' Inklings," the annual publication made up of some of the best literary works of LT students. The club's members compose the editorial staff of the magazine, along with supervising its sales and publicity.
With "Alas, Poor Yorick" as its float theme, Writers' Club brought Hamlet to Homecoming. The members of the club also participated in the Mardi Gras by dressing as gypsy fortune tellers and predicting the future of many a costume-decked LT student.

This year the long anticipated event occurred, as Dramatics Club obtained its own studio theater. Although it was necessary to share the facilities with other groups, the club succeeded in producing several one-act plays. These plays were presented to interested students and faculty members at matinee performances after school. Attendance was good, and all those who came thoroughly enjoyed the productions. Some of these plays were: *Suppressed Desires, Idlings of the King, The Monkey's Paw, The Dear Departed,* and *Finders Keepers.* Two of these studio plays were presented for others as well as the students. *Suppressed Desires* was given at a faculty tea, and *Finders Keepers* was presented at a Home School Council meeting.

As in previous years, the club was divided into play reading and acting, makeup, and stage crew groups. The makeup group, in addition to performing its duty for the studio theater plays, took care of makeup for all the high school productions except the Corral Show.

As every member of the newly formed dramatics class was a member of Dramatics Club, the two groups worked together on many things. Through the class, tickets were made available to club members for various productions at the Goodman Memorial Theater.

Many members of the Dramatics Club, and others who qualified, joined the Thespian Society this year. This is a national high school dramatics association, and this year marks the first time that LT has been represented in it.

Debate

Front Row: E. Kingdon, D. Wegner, A. Krause, R. James, D. Findlay, E. Russman, Mr. Rehn. *Row 2:* J. Ray, P. Jeffrey, D. Becker, R. Hopkins, P. Kailus, L. Davis, W. Weyler, S. Fey, J. Mate, F. Hood, M. Sovereign.

The season this year was marked by great activity from the beginners on up through the varsity. Debating the question: "Resolved: that the President of the United States should be elected by direct vote of the people," the varsity wound up fifth place at the tough Augustana College Tournament, and tied for fourth in the Metropolitan Debate Union series.

The debate team was chosen by a group of faculty judges after a hard try-out of all who were interested. The final choice was David Findlay, Jim Cicero, and Edna Russman for the affirmative team and Eugene Kingdon, Alan Krause, and Dan Wegner representing the negative side. The team attended many tournaments, in which they did remarkably well. Some of these include the Augustana tournament, which is composed of thirty schools from Iowa and Illinois; the MDU (Metropolitan Debate Union), which includes fifteen Chicago area schools of Illinois and Indiana; and the Sectional Debate tournament at Pontiac.

A credit to the debate team this year was Mike Sovereign, who won second place in the district in the extemporaneous speech class, and fifth place in the division.

On the day of the sectional tournament at Pontiac, although their ranks were considerably thinned by sickness and college board exams, the team still put up a good fight and took third place, maintaining LT's reputation as one of the strongest debate schools in the Chicago area. First place was taken by West Aurora, second by Downers Grove, while LT came in third.

A great deal of credit is due to Mr. Ivan Rehn for his superior coaching.

Tri-Hi-Y, sponsored by the West Suburban YMCA, had a very interesting and enjoyable year. In September, there was a scavenger hunt, to get acquainted. October brought a hayride in Palos, and a demonstration of cake frostings. In November there was a dating panel of LT girls and LT and Downers Grove boys.

Throughout the year, one of the club's aims was to help others. On Christmas Eve, the girls caroled at Hines Hospital. They also sold taffy in their annual drive for the World Service Fund. In February there was a potluck and skating party, and March brought the Parent-Youth Clinic. The year was brought to a close with the election of officers and the "Farewell to Seniors" banquet.

Hi-Y, the YMCA's boys' club, presented many interesting speakers and activities for its members this year.

Mr. Deason started off the year with a talk on athletics. This was followed by an initiation meeting in Downers Grove with the Downers Grove Hi-Y and the LT Tri-Hi-Y

Other talks featured Mr. Giles on England, Mr. Lee on counter-intelligence, and Mr. Davis on colleges. An Abbott and Costello movie at Mardi Gras earned money for the annual donation to the YMCA and the World Service Fund. Hi-Y also went swimming and played a basketball game with the Downers Hi-Y. A Parent-Youth clinic was held near the end of the year and the last meeting was devoted to the election of officers.

Home Ec Club is patterned after the national Future Homemakers of America. The first meeting of the year was the impressive installation ceremony, held in November. In December the girls entertained a Girl Scout troop from the East Side Center, and presented gifts to them. Other big events included a lecture on the coronation and English customs, and a demonstration of cake decorating. The girls entertained their mothers at the April meeting, which featured a clerk from Peacock's.

Everyone interested in music is welcome at Mu Tau. The meetings this year included a talk by a former Metropolitan Opera singer, a movie about the development of music in the United States, a talent show, and an informative panel on music camps. As an extra project, some of the members served as ushers at the west Suburban Symphony concerts.

Much to the members' happiness, Mu Tau's Homecoming float won an honorable mention, and the bean bag toss at Mardi Gras proved to be a big success.

The purpose of the All Arts Klub is to give each of its members a chance to develop his appreciation for Art. Activities were highlighted this year by the "We'll Paint 'Em Black and Blue" float and a Mardi Gras booth where clay objects, created by the members, were sold. The girls also enjoyed several lectures given on water colors and oil painting, and a demonstration on making bowls at the pottery wheel. In March, several of the members attended the spring exhibit at the Art Institute in Chicago.

Podlesak, Mr. Steger. *Row 4:* A. Karsten, D. Wegner, R. Marsh, R. Pidcock, A. McCaugherty, G. Raney, P. Walter, B. Ross.

Since the purpose of Conservation Club is to teach its members to preserve and rebuild our natural resources, they have taken several field trips to Starved Rock, Indiana Dunes State Park, and various other places. Their big item for the year was a tree planting project in the forest preserves of Cook County. They also installed many bird-feeding stations throughout this vicinity. The members have been extremely active in legislative matters, especially those concerning the building of a dam through Dinosaur National Monument, to which they were decidedly opposed.

Pep Club is a new, but active organization at LT, created by Student Council to help in improving school spirit. The main job of the club is to plan clever pep assemblies and promote enthusiasm at the games. The members do a great deal of work on signs and all other effective methods of publicity for popular sports events. One of the biggest problems of the club this year was trying to achieve concentrated, strong cheering, to take the place of the usual scattered rooters. Next year, the club plans to expand and improve its program.

Front Row: S. Brown, M. Rierson; Secretary, J. Pendexter; Vice-President, J. Goodman; President, J. Hallett; Treasurer, D. Busch; C. Meiner, J. Burnett. *Row 2:* B. Wilson, J. Brady, C. Gerlicher, K. Rifle Club

The natural liking for guns makes this organization the largest in the school. Rifle Club is affiliated with the National Rifle Association, which holds a tournament each year. The members of the club meet three times a week to try to better their scores. The purpose of Rifle Club is to teach the members the correct use and care of guns, as well as safety measures in the handling of firearms.

Scharff.

Members of Camera Club can be found at almost any LT gathering, contributing their invaluable aid by snapping pictures for the *Lion, Tab,* or the club's Spring Salon which displays the pictures taken by members during the current year. One of the main attractions of Camera Club is the darkroom in which pictures may be developed and printed. Photographic demonstrations, speakers, and the viewing and criticism of members' work take up most of the regular club meetings.

In its first year of existence, the Auto Club has proved to be a great asset to auto enthusiasts. The full program of this club is centered around learning the "how" and "why" of cars. Frequent lectures by Mr. Butcher, an auto mechanic, as well as the dismantling of parts, have given insights into the care and use of motors. The interest in this club will continue to grow as long as there is interest in the automobile.

Front Row: Treasurer, A. Fry; Secretary, G. Martin; President, E. Santucci; Mr. Nelson. *Row 2:* A. Drachman, M. Maley, B. Drachman, R. Stephens, C. Lustfield, J. Klusendorf, T. LeMaster. *Row 3:* J. Valentine, J. Solzgeber, T. Wakefield, J. Splavec, S. Ward, C. Ward, J. Pelton, P. Riley.

Radio Club

Radio Club, composed of licensed amateur radio operators, meets once a week for code and theory discussions. Lectures and field trips were featured on this year's agenda. This is the second year the Radio Club has had its own station W9OXN 9. Their sponsor, Mr. Warning, has contributed much of his time to help the club.

Front Row: Treasurer, D Brakenridge; President, S. Baxter; Secretary, J. Gladish. *Row 2:* J. Hungerford, J. Hood, J. Glick, R. Conger, C. Munter, A. Roede. *Row 3:* C. Freeman, D. Siers, T. O'Connell, D. Castrodale, T. Whitney, D. Rabe.

Stamp and Coin Club

Highlighting this active year was a visit to the Suburban Stamp and Coin exhibition which gave the interested members an idea of what other collectors in the area are doing. This year was also one of the busiest in the history of the club. Included in its monthly meetings were auctions, trading sessions, sales of new issues, and some interesting speakers. (Oh, yes — refreshments!)

Chess and Checkers Club

The Chess and Checkers Club, which was originally affiliated with Boys' Club, gathered enough strength to become an independent organization in the second semester last year. This club is open to all boys who are interested in chess, whether they are just beginning or accomplished players. A chess tournament in the spring is the highlight of the year for these enthusiasts.

Front Row: Vice-President, G. Bartik; Mr. Maus, A. Jandera; President, L. Daymont; Secretary-Treasurer, R. Hoffman. *Row 2:* D. Newton, J. Warrick, S. Baxter, G. Reno, D. Heeter, S. Segner.

FNA

Future Nurses of America, whose main objective is to acquaint interested girls with different phases of nursing, has had a very successful second year. Some of the club's varied activities have been packing homemade cookies for the old people at Oak Forest Infirmary, and winning an honorable mention for its float entry in the Homecoming Parade.

FTA

Organized two years ago for all those interested in teaching as a profession, the E. G. Cooley chapter of the national FTA really got into the swing of things this year. Membership was very good, and many interesting meetings were held. These included speeches on elementary education, child psychology, and the teaching of music in the public schools. In addition, several social meetings were held at the homes of various members, and the year was climaxed by the presentation of a radio program over WTAQ which told about the organization and plans of FTA.

Front Row: Secretary, B. Euler; Treasurer, S. Smith; President, S. Elliott; Vice-President, S. Spangler; Historian, S. Dierks. *Row 2:* J. Harris, C. Minton, M. Bechtel, D. Diedrichsen, M. Proehl. *Row 3:* J. Garnett, J. Oiseth, B. Ross, J. Tracy, C. Schramm.

Cicero Club

During the year Cicero Club participated in school affairs by contributing a float to the Homecoming parade and operating a candy booth at Mardi Gras. The club also attended the movie "Julius Caesar," and held their annual picnic in the spring. LT was the host school for the sectional Latin contests this year, and, consequently, the club members had much to do with the planning of the program.

Latin Club

Front Row: P. Kailus, K. Cusack, R. Mack; President, M. Mattka; Vice-President, C. Lewis; Secretary, A. Smith; Treasurer, J. Yerkes; B. Smithburg, C. Lustfield. *Row 2:* Miss Thompson, B. Webber, D. Latin Club had three big meetings this year. The first one was devoted to skit and games. The March meeting consisted of a business meeting and some movies. In June the Freshmen initiation was held. The club also helped in planning the program for the contest. Latin Club is made up of Latin II pupils, and the board consists of two members from each class.

Front Row: P. Schultz, G. Billington, C. Hoffert, J. Kavanaugh, S. Albro, R. Sturtz, B. Markham, L. Miller. *Row 2:* K. Kimen, S. Christiansen, P. Pierce, B. Henning, E. Dierson, N. Allen, S. With the benefit of four capable speakers, and movies and slides, the members of "Le Cercle Francais" got quite an insight into the customs and feelings of the people of France this year. The club participated in Homecoming with a float which was a replica of the Moulin Rouge, and once again members ran the telegram booth at Mardi Gras. A Christmas party and spring dinner were highlights of the year.

The large membership of El Circulo Espanol continued its varied activities to round out another successful year. The fall meeting, the Christmas "pinata" party, the initiation meeting, and the chile supper in the spring were all favorites. The members went all out for the festivities at Mardi Gras by selling flowers. As one would expect, the Latin American influence crept into the theme of the gay Homecoming float, "Cast-a-net on York."

Front Row: A. Green, L. Harrison; Secretary, M. Peterson; Vice-President, E. Gragg; President, R. Smith; Treasurer, T. Webber; B. Walla, J. Martsolf, C. Snevely, A. Lissack, S. Baxter, W. Van Hettinga, W. O'Brien, G. Dixon, E. Purple.

German Club activities this year included movies of German and several talks by German speakers. Attending a German church service and a movie were also on the program. The big event of the year was winning first prize with the Homecoming float, "Pickled York."

Omega Epsilon Omega, the girls' honor society, enjoyed a number of unusual meetings this year, as well as the traditional candlelight initiation ceremony. The club continued its policy of raising money for JC scholarships, and working on bulletin board displays for the halls.

Front Row: N. Julien, C. Engh; Secretary, J. Elliott; Treasurer, D. Jones; President, K. Jones; M. Mansfield, E. Williams, R. Sturtz. *Row 2:* S. Spangler, M. Graves, A. Smith, S. Christiansen, K. Twirlers

The LT Twirlers provide baton twirling for many of the home football and basketball games. Their high stepping is always seen at the head of the Homecoming, Pet, and Memorial Day Parades. The Twirlers also provide twirling for other activities; for example, three Twirlers were asked to perform in Argo Community's Safety Day Parade last year.

To get in practice for their twirling exhibitions, the girls attend the weekly practice meetings which are held on Monday nights under the direction of Mr. Hilgendorf. The girls also keep up their daily practice at home. Once a month, a business meeting is held, where plans for future twirling are made, ideas for making money are discussed, and any questions that may be asked are answered.

Mr. Hilgendorf deserves a great deal of credit for his patience as Twirlers' sponsor and teacher. He gives the girls a regular routine to practice, and helps iron out any difficulties that may arise. If anyone misses a meeting in which something new was taught, she is taught the new twirl by one of the advanced students, in order to avoid retarding the whole club.

Twirlers entered a float in the Homecoming Parade this year, and operated the check room at Mardi Gras.

Top Row: J. Fricke, Vice-President; I. Mahaffey, Secretary; K. Rafferty, Treasurer; B. Towler, President. *Bottom Row:* M. Arndt, N. Novinger, L. Brown, R. Nelson, J. Wiernik, J. Barneycastle.

Operetta

Count Berezowski, Commandant of the secret police, has given away the winning lottery ticket, which belongs to King Gustav, to a beautiful young girl in the opera ballet. With the aid of Fresco, the ballet master, the Count finds the ticket in possession of Irma. She refuses to give up the ticket and in order to obtain it, the Count plans to marry her. She refuses because of her love for Ladislaus, but the Count tells her she will have to in order to save her twin brother, Tedor's, life. He supposedly has deserted the army and run off with Mme. Pompom. Irma plans to disguise herself as Tedor in order to save Tedor and herself. She leaves the lottery ticket for the Count, but Ladislaus gets possession of the ticket. A band of gypsies come to the chateau, and Ladislaus buys Musette and substitutes her for Irma. The Count discovers the plot to marry him to the wrong girl, and the lottery ticket is stolen. Irma then becomes resigned to marrying the Count. At the last minute it is found that Tedor has not deserted, but is on a secret mission for the King. The Royal Lottery is abolished by the Queen, and Irma and Ladislaus return, as do Musette and her lover, Sandor.

Senior Class Play

A Murder Has Been Arranged

The senior class play, complete with a fire-curtain and an overture, succeeded admirably in scaring all who saw it. Orchids to the director, Miss Joan Akerman, for a fine job.

The plot of the story revolves around the legend of the St. James Theatre in London. This legend states that if anyone is murdered inside the theatre his ghost will walk across the stage, heralded by the appearance of a woman struck dumb. Sir Charles Jasper (Bob Cryer), in hopes of seeing a ghost, is holding a party on the stage. With him are his secretary, Miss Groze (Linda Budd), his wife, Beatrice (Marilyn Seay), a friend of Beatrice's, Jimmy North (Lowell Daymont), Beatrice's mother, Mrs. Arthur (Joyce Ruthy), a cook, Mrs. Wragg (Nancy Heyden), and the band conductor, Cavendish (George Steffen).

The guests, aside from being worried that a ghost will show up, are anxiously awaiting eleven o'clock when Sir Charles is to inherit two million pounds. If he should die before eleven, his fortune will go to his only living relative, Maurice Mullins (Roy Stanley).

Maurice appears and, desiring the money, poisons Sir Charles. Thus, ironically, it is the ghost of Sir Charles that is announced by the appearance of the dumb woman, (Joan Miller). Maurice, seeing the ghost, confesses to his crime.

Junior Class Play

Father of the Bride

On October 16 and 17, 1953, the class of 1955 presented the delightful play, "Father of The Bride."

Mr. and Mrs. Banks (Ronald Allan and Cynthia Poppen) receive the news of their daughter Kay's (Noel Crouter) engagement to Buckley Dunstan (David Findlay). They then proceed to make plans for her wedding. Many complications arise as Kay's brothers (Richard Hoff and Lyle Waughop) enter the picture.

A dressmaker (Kay Newman) and a cateress (Mary Gervase) are hired, while a conflict between Delilah, the maid (Carol Engh) and the movers and arrangers is another complication to be overcome.

By the time the wedding is to take place, the older brother's girlfriend (Nancy Lahvic) has fought with him, Mr. Banks' secretary (Norma Easter) has quit and been hired again, and the younger brother's boyfriend (Leonard Spencer) has fought with him. All this is because of Kay's wedding!

Everything turns out for the best in the end, though, and things finally settle down to normal again.

The cross country team had another fine season, winning nine dual meets and losing only to Bloom. The thinclads won the district crown and took eighth place in the state. The team climaxed the season by running their best race to easily win the conference meet. Mike Barry lost only two races all year, including his ninth place in the state meet.

The frosh-soph, in a rebuilding year, won only one and lost seven. Congratulations to Coach Max Armer and a great team.

The first seven gets ready for the district.

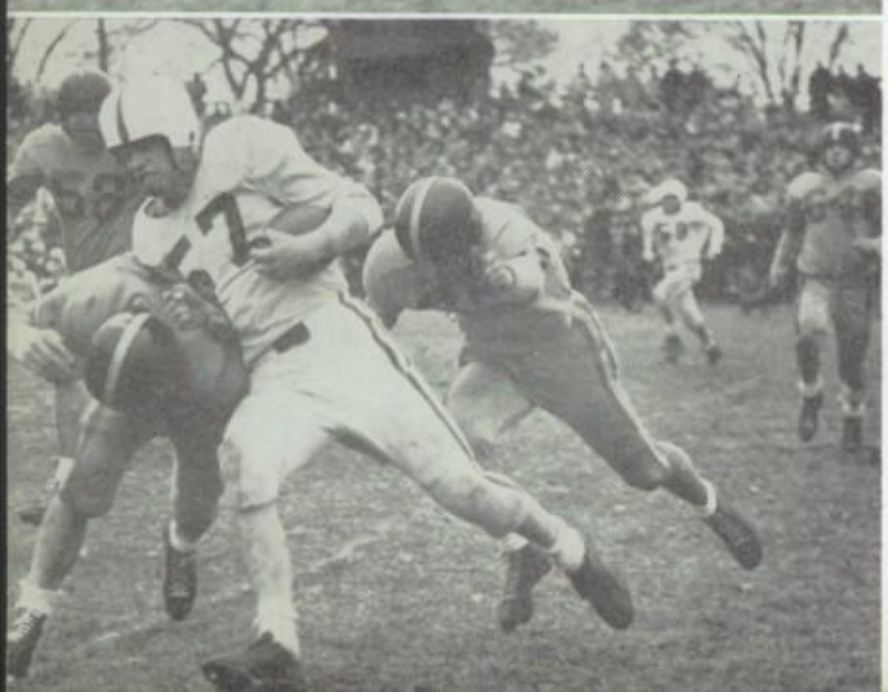
VARSITY FOOTBALL



Conference

LTHS 18 Oak Park 19

A green Lion squad was edged by Oak Park's Huskies. Touchdowns were scored by Bob McKown, (shown here skirting right end), Lorenzo Topps, and Bob Grimmenga. La Grange's failure at extra points was the deciding factor.

LTHS 20 Downers Grove 0

Sparked by dancing Bill Caffey, who unleashed touchdown runs of 54 and 83 yards, the Lions rolled over Downers Grove on the losers' field. Fullback Bob Grimmenga scored the third tally for La Grange.

LTHS 34 Maine 6

The Lion backfield took turns crossing the goal line in the 34-6 rout of Maine on Emmond Field. Grimmenga, McKown, Caffey, Fulford, and end Ted Caiazza all scored.

LTHS 0 Hinsdale 0

The long-awaited Hinsdale duel ended with the argument undecided in a scoreless tie at Hinsdale. Both teams threatened, but lacked the scoring punch, as defense was the sparkling factor of the game.

Co-Champions

LTHS 13 Arlington Heights 7

Halfback Bob McKown managed to pull the Lions past a stubborn Arlington Heights contingent with dazzling runs of 93 and 76 yards.

LTHS 24 Glenbard 19

Bob Grimmenga battered the Glenbard line for two scores and Bill Collins ran one and passed for another to Caiazza in a surprisingly close scrap.

LTHS 27 Riverside 7

Going strong nearing midseason, Coach Chuck Bennett's squad defeated R-B handily on their field. McKown, Grimmenga, Fulford, and Caffey contributed to LT's point total.

LTHS 7 York 13

York's Dukes upset the Lions to gain for themselves and Hinsdale a share of the WSC title. Rough line play marked the biggest upset of the year.

Wrestling

Coach B. Kraus

With a good record from last year to uphold, Max Armer's wrestlers came through with an even better season. Facing a great rebuilding job, Coach Armer brought up many underclassmen to fill the gaps.

This strategy proved successful to a high degree and the matmen groaned their way to a 11-3 record for dual meets during the year.

At the Sectional tournament this year's team "brought home the bacon" for the first time in LT's history by beating Proviso, being the first team to accomplish this in fifteen years.

Qualifying seven men for the state meet, inexperience proved fatal and all of them lost with the exception of Don Woehrle, who took third place in the 112 pound division.

Next year the picture is bright, with all but one of the state qualifiers returning.

Those who were the regulars on this year's team were as follows: Brian Lundmark, 95; Don McNeill, 103; Jerry Follis, Jim Agnew, 112; Mickey Guzzardo, Don Woehrle, 120; Franz Reisch, Larry Booth, 127; Bill Skidmore, John DeShazo, Dave Sammons, 133; Tom Jordan, 138; Parker Courtley, 145; Dave Kamerschen, 155; Ed Miller, 165; Bill Althen, Jim Heinze, 175; Jim Pasek, Edgar Fields, Heavyweights.

Not to be outshone was this year's frosh-soph team under Bert Kraus. The squad went through a perfect season without a single loss. This was another first for this year's wrestling teams. With this good showing wrestling has a bright outlook for next year.

This year's varsity basketball team had quite an impressive season with the help of veterans Hal Caffey, Willard Johnston, Chuck Sedgwick, Dave McKeag, Ted Caiazza, and Joe Lawlor. These boys helped carry the banners of the 1952-53 state basketball championship.

The first string was backed by a strong bench squad which consisted of Russ Blake, Don DeSantis, John Pendexter, and Steve Heeter. They not only were undefeated in conference play, but were rated first in the state, both in the United Press poll and that of the Associated Press. This first place rating stuck with the Lions from the very first poll until they were upended by Morton of Cicero in the final game of the regional tournament at Riverside-Brookfield.

McKeag, Lawlor, and Caffey received all-conference berths, while Sedgwick received special mention in state and national ratings. Caiazza made the all-state and all-American teams.

With this personnel we had one of the best teams in LT's history. The team collected a total of 1106 points in its fourteen conference games, while allowing opponents a total of 661. In non-conference games LT totaled 384 points. In the three regional playoffs, the Lions amassed 260 markers, which brought the season total to 1750 points. This was an average of 76.1 points per game.

LaGrange's two losses were to a very spirited Moline team, which made the Sweet Sixteen tournament, and to Morton of Cicero, who upset them in the regional tournament. It looked as if this year's team would repeat last year's fine performance until the dramatic close of the season, LT's loss to Morton. Both losses were heart-breakers, to Moline by a score of 59-60, and to Morton, 64-65. Even after the Lions' first loss to Moline, the state ratings still held true that LaGrange was tops in the state.

Les Glick made a good start in his first year as varsity coach. However, with nine out of the first ten boys graduating this year, he will have a tough job keeping up the pace of the last four Lions' basketball squads.

Frosh-Soph Basketball

The frosh-soph basketballers of '54 displayed themselves admirably on the hardwoods. Led by the new and capable coach, Art Sandusky, they were victorious in eighteen of their nineteen contests. The team had very fine offense, as well as a good defense, with a forward line averaging 6'3" to provide the necessary rebounding power.

The Cubs got off on the wrong foot in their first game when they traveled to New Trier, only to lose, 45-43. The Sanduskyites found themselves after that, though, and won two onesided victories from Argo and Joliet. When it came time to play in earnest for the conference title, the Cubs proved themselves by swamping Glenbard, Arlington, and Maine, and taking close ones from RB (41-38) and York (50-48). To complete the first round of conference play, the boys took Hinsdale and Downers Grove with impressive victories.

When the second round started, the Cubs got right into the spirit of things by belting Glenbard 43-33. Going out of the conference, the team crushed Oak Park 43-38. Returning to the conference, Art's boys decisively swamped the remainder of their foes with big victories, ending the season with a 79-40 win over the Dukes of York, who earlier had given the Cubs quite a battle.

Leading the frosh-soph team through their very fine year were Rich Merz and Chuck Bauer as guards, and Bill Freisinger (leading scorer), Fred Liedtke, and Bob Wormley, forwards. Rounding out the team were Lee Meyer and Willie Powell at the center post.

With an undefeated freshman team coming up, Coach Sandusky and his boys should have another good season next year. Congratulations, Coach, to you and your fine team of this, your first year at the frosh-soph helm.

Cheerleaders

FROSH-SOPH: B. Henning, M. Stanley, J. Ludwig, E. Anderson, J. Olsen, S. Bartholomew, M. Livermore, D. Barton.

This year's peppy cheerleaders helped promote better school spirit for both the football and basketball seasons. Their rousing cheers were very helpful to the team and the student body as the school went through another successful year.

Several new cheers were added and the introduction of a boy cheerleader, Jack Kortus, was also made. Both frosh-soph and varsity cheerleaders were seen selling programs to spectators at the games this year. The sale of programs at basketball games was recently put into effect as the girls strove to earn money for uniforms for future years.

The entire squad this year was composed of fourteen girls, eight frosh-soph and six varsity cheerleaders. Every Thursday afternoon, practice sessions were held as the girls prepared for the games. Regular attendance at both practices and games was stressed in order that the girls receive a cheerleading letter.

With the help of Miss Betty Farr, sponsor, and Nancy Redpath, captain, the squad went through another successful year as LT's representatives of school loyalty and spirit.

1954 STATE CHAMPIONS

Third successive year

Coach Deason found himself in a good position at the beginning of the season to wrap up another state title to add to his growing collection. Leading the attempt to bring the third straight first place trophy was a nucleus of nine men. The Lions were lacking only in the hurdles, but their strength in the other events overcame this handicap. The dashes were handled by Bob McKown, Jim Fulford, and Bill Caffey. These three ran on the winning 880 relay team last year, and hoped to repeat their 1953 performance. The 440 was led by Harold Caffey and John Pendexter, who were among the best in the state. The 880 and mile run prospects were good with Jack Evans and Mike Barry, returning lettermen. Bill Caffey took care of the broad jump duties, while his cousin Harold was a good high jumper. McKown was one of the top vaulters. The LT discus and shot records were in serious danger every time Ted Caiazza stepped into the ring. The big event, however, was the mile relay, in which LT set a national record of 3:21.2 in 1953. Jack Evans, John Pendexter, and Harold Caffey were back from that relay team, and Coach Deason hoped to find a substitute for Richard Caffey and break the record again. Others adding strength were Ed Gould, Joe White, Bob Stiven, Jim Trippel, and Bob Arnold. Coach Deason was ably assisted this year by Mr. Kraus and Mr. Haas.

Because of basketball LT was not at its full strength till the Naperville Relays. Pulled muscles for McKown and Fulford put the damper on LT's hopes and gave the Naperville Relays crown to Bloom by two points over the Lions. In the Oak Park Relays the loss of our sprinters and a disqualification in the distance medley pushed the team down to fifth place. Several meets were scheduled with the big powerhouses of the state. At peak performance, LT looked like a strong contender for the state crown.

Frosh-Soph Track

The frosh-soph track team under the direction of Coach Armer was loaded with talent. Two or three capable men in every event made the Cubs tough to beat this year.

The sprints were taken care of by Willie Davis, Bruce Anderson, Dan McGowan, Ron Williams, and Keith Evans. Top hurdlers included Dale Kucera, Sam Gervase, and Larry Banhart. 440 specialists were Bob Seger and John Stanley. A winning 880 relay team was expected to develop from all this talent.

Depth was also the key word in the distance race. Doug Hughes, Leonard Hall, Jim Agnew, and Bill Crumb led the Cubs in the 880. The field events were in the capable hands of Davis, Stanley, Kucera, Chuck Bauer, Lance Gauler, Dave Sammons, Ken Markley, Dixon Middour, and Doug Freeman. The frosh-soph took second in a big meet at Oak Park and then won the Naperville relays crown, beating Bloom by twelve points. Included in this was a new record in the 880 and other best performance in the eight lap relay.

The frosh-soph squad competed against some tough competition in dual meets this year. Then came the Riverside-Brookfield frosh-soph invitational in which LT was the defending champion. Finally the underclassmen thinclads stepped onto the track at RB for the conference meet. Here as usual they were the defending champion. If everything turned out as it should, Coach Armer could chalk up another conference championship to his growing collection.

Having five regulars back from last year's team, the varsity looked as if it had lots of promise but had difficulty hitting its stride. The loss of last year's pitching staff seemed to be the big factor.

The complete infield was the same as last year's, with Don Baker on first, Don and Dave Govednik at second and short, and Chuck Sedgwick holding down third. Dave and Chuck also turned in some fine pitching performances. John Tillema was being converted into a catcher after playing outfield the year before.

Coach Glick was building his team for next year by using capable juniors and sophomores.

Last year's District tennis champions, under Coach Frank Allen, had their work cut out for them. Their main objective was to better last year's third place conference standing. Losing two doubles teams and singles player Chuck Seibert, the Lions had a rebuilding year ahead. Returning were district singles winner Don Sessions, and Don Johnson, last year's number three singles player. These two were augmented by Gay Messick, a sophomore, up from last year's great frosh-soph club. The varsity doubles were filled by contenders Warren Herberts, Vann Fleming, Bob Dutton, Dirk Simonson, Jack Hindmarch, Mike Llewellyn, Dick Hoff, Don Ward, Bob Heusinkveld, and Joe McCrea.

Formidable nonconference opposition were Blue Island, Evanston, and Oak Park's state champs. The spirited netters, while pointing again for their third straight District crown, also tried to better last year's eighth place in the state tournament at Champaign.

Last year's frosh-soph champions looked to a rebuilding year under Coach Wayne Hammerlund. Contenders for permanent singles positions were Dick Hughes, Dick Vaughan, Skipper Pierce, and Laurence Teeter. Filling the doubles positions were Mark Richey, Dave Krafft, Paul Strohm, Pete Kiep, Edson Chapman, and Skip Anderson.

FROSH-SOPH: S. Pierce, L. Teeter, D. Krafft, P. Strohm, D. Vaughan, M. Richey, Mr. Hammerlund.

With the loss of Allen French, who placed fifth in the state meet, Coach John Payne faced an average season. This year's team was built around no one individual but functioned, instead, as a unit.

The mainstays of this year's squad were David Anderson, Larry Booth, Ron De Santis, Richard Runke, and Bill Busch. Also trodding the fairways were Frank Kral, Don Wier, and Chuck Johnson. A frosh-soph turnout of more than twenty-five boys showed the way to a successful season for the underclassmen.

With the competition in the conference at an increased pitch, Coach Payne hoped to hold onto the third place won by last year's team. This year's district meet was another matter, however, for Hinsdale, who placed second in the state as a team last year, came in force with the majority of the same team back. Here the linksmen had to come through to hold onto their second place won last year by French and crew, or better that mark.

GAA started the year off with the largest membership in its history, over one-third of the total number of girls in LT. This, coupled with the many non-members who participated in the after-school sports, gave impetus to the special events of the year. These included: A "Tee off to Victory," the Homecoming float; the sale of balloons at Mardi Gras; and the progressive games at the Christmas party.

"2053," was a skit which introduced the new-comers at the beginning of the year through the efforts of weird spacemen and spaceships. A sportsmanship panel and discussion of basketball rules by Coach Deason headlined one monthly meeting while canoeing pictures of the North Woods occupied another.

The annual mother-daughter banquet, at which awards were presented and the new officers introduced, climaxed this big year.

June 14, 1954

Ron,

It has really been an enjoyable Sophomore year! We have done many things together.

Remember at the beginning of our school year when I got the mumps and was out of school for two weeks! Even though it started out bad we had many nice times together.

We went to almost every dance at L. T. (bag, stag, or drag).

Remember the basketball game we lost? That was one of my saddest days at L. T. I had hoped we would at least reach the state.

I don't think I'll have to worry about being late for biology and general language anymore this year. I only had one seventh hour so I guess that wasn't too bad.

June fourteenth is the eleventh month we have been going steady. I hope there will be many more as enjoyable as this last year has been.

Harriet

P. S.
You have really been a good kid to put up with me for two years.
Keep on being as nice as you have been.
You're the nicest boy I have ever known.
